Your Gateway to Efficient Connectivity

The Cable HD26-5xDS9 Splitter is a 0.3 m (approximately 1 ft) long splitter cable designed to connect Kvaser's 5-channel interfaces equipped with a 26-pin HD D-SUB socket. One end features a 26-pin HD D-SUB socket for the interface, while the other end provides five 9-pin D-SUB plugs for the CAN bus.

This splitter cable is an original spare part for Kvaser's 5-channel products, including the Kvaser Memorator Pro 5xHS, Kvaser USBcan Pro 5xHS, and Kvaser USBcan Pro 5xCAN (part numbers 00778-9, 00779-6, 01524-1).

Warranty

2-Year warranty. See our general conditions and policies for details.
